

# "Kolchuga" had been exhibited In Donetsk

Today has opened the First Interbranch Trade Fair «Science to Industry - 2004» which was visited by the President of the National Academy of Sciences of Ukraine Boris Paton. The scandal famous antiradar system "Kolchuga" had been exhibited there.

The formidable machine had been displayed only some hours. Trade fair will be held in Donetsk on May, 25-27.

"Kolchuga" systems are made in Donetsk at the "Topaz" plant.
